”

While attending the course, I started to see things from a different perspective and in a positive mode. From then on, my life was always impacted positively whenever I make a decision.

Phoebe

”

The course is enriching and fulfilling. I would love to apply all the NLP techniques learnt to my career when dealing with certain work activities.

Pei Ling

”

I took up this NLP course because I have a passion to be career coach which will bring meaning and clarity into people's life. This course has helped me to kickstart my journey to be an even better career coach. I found my first client even before the course ended!
